[Verse 1]

Bm
this romeo is bleeding
A
but you can't see his blood
G
it's nothing but some feelings
Bm A
that this old dog kicked up

Bm
it's been raining since you left me
A
now I'm drowning in the flood
G
you see I've always been a fighter
A G A Bm
but without you I give up

Bm
now I can't sing a love song
A
like the way it's meant to be
G
well, I guess I'm not that good anymore
A G A
but baby, that's just me

[Chorus]

D A
yeah, I will love you
G Bm A
baby Always
D A G
and I'll be there forever and a day
Bm A
Always
D
I'll be there till the stars don't shine
A
till the heavens burst and
the words don't rhyme
G
and I know when I die, you'll be on my mind
A
and I'll love you
G A Bm
Always

[Verse 2]

Bm
now you're pictures that you left behind
A
are just memories of a different life
G
some that made us laugh, some that made us cry
Bm A
one that made you have to say goodbye
Bm
what I'd give to run my fingers through your hair
A
to touch your lips, to hold you near
G
when you say your prayers try to understand
A G A Bm
I've made mistakes, I'm just a man

Bm
when he holds you close, when he pulls you near
A
when he says the words you've been needing to hear
G
I'll wish I was him 'cause those words are mine
B AB
to say to you till the end of time

[Chorus]

D A G
yeah, I will love you baby
Bm A
Always
D A G
and I'll be there forever and a day
Bm A
Always
C F
if you told me to cry for you
G A
I could
F G
if you told me to die for you
A
I would
G F
take a look at my face
G
there's no price I won't pay
to say these words to you

[solo]

D A G Bm A

G
well, there ain't no luck
in these loaded dice
A
but baby if you give me just one more try

we can pack up our old dreams
and our old lives
A
we'll find a place where the sun still shines

[Chorus]
