So you face it with a smile

There is no need to cry

For a trifle's more than this

Will you still recall my name

Will you release me with a kiss

Sweet devotion - my delight

[Verse]

Oh, you're such a pretty one

D
And the naked thrills of flesh and skin

A
Would tease me through the night

Now i hate to leave you bare

D
If you need me I'll be there

A
Don't you ever let me down

[Breakdown]

dazed by careless words

And I touched your face

Narcotic mind from lazed, Mary-Jane

Bm
And I called your name

D
Like an addicted to cocaine calls for the

A
stuff he'd rather blame

[Verse]

A
And I touched your face

Bm D A
Narcotic mind from lazed, Mary-Jane

A
And I called your name

Bm
My cocain

[Chorus] 6x
