

Roxette - It Must Have Been Love

[Intro Drums]

(C F)

[Verse 1]

C
Lay a whisper on my pillow,
F G
leave the winter on the ground
C F
I wake up lonely, there's air of silence
Dm G
in the bedroom and all around
Am C
Touch me now, I close my eyes and dream
F G
away

[Chorus]

C F
It must have been love, but it's over now
Dm Am
It must have been good, but I lost it
G
somehow
C F
It must have been love but it's over now
Dm
from the moment we touched till the time
Am G
had run out

[Verse 2]

C
Make-believing, we're together
F G
that I'm sheltered by your heart
C F
But in and outside I've turned to water
Dm G
like a teardrop in your palm
Am C
And it's a hard, winter's day, I dream
F G
away

[Chorus]

C F
It must have been love, but it's over now
Dm
It was all that I wanted, now I'm living
Am G
without

C Gm
It must have been love but it's over now
C
It's where the water flows, it's where
Bb
the wind blows

I am not sure about end part ...
