

Wham! - Last Christmas

[Chorus]

G

Last Christmas I gave you my heart

Em

But the very next day you gave it away

Am

This year to save me from tears

D

I'll give it to someone special

[Verse 1]

G

Once bitten and twice shy

Em

I keep my distance but you still catch my eye

Am

Tell me baby do you recognize me?

D

Well it's been a year it doesn't surprise me

G

I wrapped it up and sent it

Em

With a note saying "I love you" I meant it

Am

Now I know what a fool I've been

D

But if you kissed me now I know you'd fool me again

[Verse 2]

G

A crowded room friends with tired eyes

Em

I'm hiding from you and your soul of ice

Am

My god I thought you were someone to rely on

D

Me? I guess I was a shoulder to cry on

[Verse 3]

G

A face on a lover with a fire in his heart

Em

A man under cover but you tore me apart

Am

Now I've found a real love (now I've found)

D

You'll never fool me again

G

A face on a lover with a fire in his heart

Em

A man under cover buy you tore him apart

Am

Maybe next year I'll give it to someone

D

I'll give it to someone special
